The PRESIDENTIAL Models Include All Of The Following Features:

Replaces and Fits Into the Space of an Existing Bathtub

The Presidential models fit into the footprint of most existing bathtubs or large shower stall areas

The PRESIDENTIAL Incorporates the Proven Strength and Durability of FIBERGLASS

The Presidential is skillfully manufactured with a high grade fiberglass with a triple gel coat for a rich, durable and protective finish

A Multi-Speed, Relaxing and Therapeutic Full Hydrotherapy Air Spa System with Sixteen Hydro-Ports, each with Warm, Therapeutic Hydrotherapy to Surround and Massage Your Entire Body (Included in Air Spa and Combo Models)

Provides you with a deep, relaxing, therapeutic massage that is said to: increase your circulation; reduce your aches and pains; and relax your muscles and joints. This helps to give you greater range of motion and freedom of movement while providing you with the ultimate in a healthy and luxurious bathing experience. For convenience and relaxation all hydrotherapy controls are within easy reach while seated

Variable Speed, Directional, Six-Jet Whirlpool Spa and Hot Water Maintaining Systems (Included in Whirlpool and Combo Models)

Consisting of a lavish and adjustable Water Whirlpool System as well as a state-of-the-art Whirlpool Water Heater, this superior spa system provides the ultimate in whirlpool massage therapy and relaxation. The powerful and directional water jets provide a thorough deep massage directed to specific body parts to help relax the muscles, relieve stiffness, increase blood circulation and reduce pain. The exclusive In-line Hot Water Maintaining System ensures that your whirlpool bath maintains the temperature of your hot water. The easy to reach and simple to use control buttons allows you to control just how much water spa power you desire; from a gentle, relaxing swirl to a powerful, pulsating force

Slip-resistant Floor

Helps assure your safety when entering or exiting the bathtub

IMPORTANT! Personal Hygiene “Bidet Notch” Built Into the Seat

Thorough personal hygienic cleansing is critical to your health and comfort. Now it's easy to keep your “private areas” clean and healthy... it's as easy as sitting in your new bathtub!

VITAL! Extra Wide Door with a Convenient Knee Cutaway for Easy Opening & Closing

The Presidential door is strategically shaped to serve three distinct purposes: It provides for extra room in the thigh and hip areas; It gives you the ability to conveniently walk straight into the bathtub without having to turn sideways; Most Importantly... It creates a CONVENIENT and

SAFE way to open and close the door while sitting due to a specially designed "knee cutaway" allowing you to COMFORTABLY and SAFELY sit in place, (instead of having to awkwardly shift your legs or dangerously stand), when opening and closing the bathtub door

IMPORTANT! Low Threshold for Safe and Easy Access

One small step for mankind... one incredible bathing experience thereafter

Right or Left Mounted Doors - Inward Opening for Safety

Provides you with the flexibility to have things the way you want it: the door on either side; the seat on either side; and the faucets and showerhead on either side as well

Luxurious Roman Faucets and Matching Retractable/ Handheld Showerhead (Note: recent fixture changes may vary from photos)

All major plumbing components are supplied with the **PRESIDENTIAL** models making it engineered for a faster, simpler installation. Both the faucets and the showerhead come in a standard chrome finish

Built-in Safety Grab Bar

Conveniently located and built-in for safety and convenience, this grab bar makes it a breeze to get in and sit down, and also provides you with an easy, convenient and safe way to stand up again

Easy to Maintain: Automated Self-Purging/Self-Cleaning System (Included in Air Spa and Combo Models)

A fully automated system purges the excess moisture from the lines and is timed to come on about 20 minutes after bathing. This not only helps to prevent any build-up of bacteria, mold and mildew, it also blows warm air that assists in drying any residue moisture on the tub

Door Seal with a Lifetime Manufacturer's Guarantee

This exceptional door seal provides you with a worry-free manufacturer's guarantee against the door seal ever leaking. This assures a safer, more secure, leak-proof seal... and this seal with a Manufacturer's Lifetime Guarantee!

Available in Your Choice of Two Standard Colors: White or Biscuit

"White" is certainly the most popular color as it "goes with everything". You can also accent it

Or email us at: info@walkintoa.com

with any color towel on its door to blend into the color scheme of your bathroom. For those who prefer it, "Biscuit" is also available as a standard color

IMPORTANT! 10 Year Manufacturer's Guarantee on the Bathtub Shell and Frame

This superior quality bathtub is made to last; assuring you years of enjoyment

IMPORTANT! Steel Frame

Specifically designed for high strength and lasting stability

IMPORTANT! Support Leveling Legs

The Presidential models have heavy duty support leveling legs to help assure an absolutely level and leak-free bathtub

Available Options

AROMATHERAPY

Your favorite scent of flowers or herbs permeate your senses adding additional peace, comfort and relaxation to your bathing experience

CHROMATHERAPY

An LED lighting system transforms your bath into a place of solace for additional relaxation and enjoyment while bathing

OPTIONAL MATCHING WHITE OR BISQUIT DECORATIVE EXTENSION SPACER

Should you have the desire to use a matching material to fill-in the remaining length of the old bathtub space, we have an elegant optional matching extension spacer available
